NOTICE

PSOJ ECONOMIC BULLETIN

Over the past three years, the cost of producing this important bulletin has been increased and the PSOJ has absorbed these costs. The extent of the increase has now caused the organisation to revise the annual subscription fee, therefore, effective July 1, 2002, the annual subscription to the PSOJ Economic Bulletin will be increased from \$4,000 per annum to \$5,000 per annum for members and from \$4,500 per annum to \$5,500 per annum for non-members.

We have recently completed our review of the features included in the bulletin and will be incorporating additional articles, which will include information on some PSOJ initiatives, mainly crime and corruption. We know that you will find the upgraded bulleting extremely useful, and we look forward to receiving your comments.
