CHAIRMAN'S OVERVIEW

The PSOJ Public Safety Monitoring Committee welcomes the completion of key targets including the Traffic Ticket Management System's pilot and the ongoing training of police offers to be adept with the system. This, however, further reinforces our call for The Road Traffic Act to be included as an item for overview as it is critical in enabling more robust enforcement of legal penalties and serving as a deterrent for illegal practices on our roads. While we expressed alarm and grave concern at the upward trajectory in road crashes, it was equally distressing to see that 2021 had seen the highest number of fatal road crashes in 10 years. It is imperative that urgent action is taken by all stakeholders to arrest this worrying pattern and that we continue to be vigilant in meeting all the targets established to create a safer Jamaica

This quarterly report contains information for the period ending MARCH 31, 2022
